BILLIONAIRES FOR BUSH www.BillionairesForBush.com

Who are we?

Billionaires for Bush is a grassroots network of corporate lobbyists, decadent heiresses, Halliburton CEOs, and other winners under George W. Bush's economic policies.

Why do we love George Bush?

- 💰 He's brought us an economic recovery — where we don't have to hire anybody.
- 💰 He let CEOs write the nation's energy policy, because no lobbyist should have to ask twice.
- 💰 He cut veterans' benefits, because no soldier should get paid twice.

Why do we hate John Kerry?

- 💰 He panders to the special interests of ordinary Americans.
- 💰 He'll increase our dependence on domestic labor by creating millions of jobs.
- 💰 He's a flip-flopper. Clean air? Clean water? Which is it, John?

Our mission?

Re-appoint George W. Bush. We know a good president when we buy one.

💰 💰

Who are we really?

Billionaires for Bush is a grassroots media campaign that is changing voters' minds in swing districts. We're using humor, street theater and creative media to show how the Bush administration has favored the corporate elite at the expense of everyday Americans. We've been recognized by major media including The New York Times, USA Today, CNN, CBS News, The Akron Beacon Journal, Pittsburgh Post-Gazette, etc. for bringing a unique brand of political activism to the 2004 elections.

What we do.

Our field campaign is now 75+ chapters and growing. We're bird-dogging Bush and Cheney around the country. Soon they won't be able to make a speech or hold a fundraising dinner without finding themselves sharing the spotlight with a contingent of Billionaires in tuxedos and evening gowns, thanking them for being the best politicians Big Money can buy.

How you can get involved.

Join a chapter. Or start your own. Or get involved with one of our creative projects. It's easy and it's fun. Everything you need is on our website : www.BillionairesForBush.com

And join us for these upcoming national days of action :
