# BILLIONAIRES for BUSH

**Billionaires for Bush** is a grassroots media campaign that is changing voters' minds in swing districts. We're using humor, street theater, and creative media to show how the Bush administration has favored the corporate elite at the expense of everyday Americans. We've been recognized by major media including The New York Times, USA Today, CNN, CBS News, MSNBC, Pittsburgh Post-Gazette, Detroit Free Press, etc, for bringing a unique brand of political activism to the 2004 elections.

Our field campaign is now 75+ chapters and growing. We're bird-dogging Bush and Cheney around the country. Soon they won't be able to make a speech or hold a fundraising dinner without finding themselves sharing the spotlight with a contingent of Billionaires in tuxedos and evening gowns, thanking them for being the best politicians Big Money can buy.
